Research Paper Assignment

Topic: ____________________________________
You may choose any topic you like. Be sure the topic is researchable and interesting to you. This should be something you haven’t already researched in past classes (including high school)

Possible questions to answer:

1. ________________________________

2. ________________________________

3. ________________________________

4. ________________________________

5. ________________________________

These questions will guide what you “look up”. What specifically do you want to know about your topic? What controversies surround your topic? What does your topic mean to you? How does it affect the lives of others? What point do you want to make with this paper?

Technical requirements:

- AT LEAST 4 sources
- 5-6 typed pages
- Typed
  - 12 point font
  - Double-spaced
- MLA format
- Stapled
- Single or double-sided printing

Types of sources appropriate to this paper:

- Academic journals
- Books
- Professional websites
- NOT Wikipedia!
