LEARNING CENTER STUDENT REFERRAL FORM

PART A - STUDENT

Student Name: 
Student ID Number: 

Student Signature

PART B - FACULTY

Course Number: CRJ-101
Course Name: Introduction to Criminal Justice
Faculty Name: Robert Kennedy

Course objectives represent complex concepts for which students require assistance. Therefore I recommend that the student named above have access to the Learning Center to accomplish these objectives throughout the semester (list below or attach).

1. evaluate his/her attitude and attributes in relation to criminal justice careers and choose an appropriate curricular emphasis,
2. illustrate and explain the process of a criminal justice prosecution from occurrence of alleged offense to discharge,
3. identify the major components of the criminal justice system and explain interrelationships,
4. identify and explain the "sources of law" and their interrelationships,
5. identify various theories of crime causation and their effects on the criminal justice system,
6. define/differentiate among the key concepts on the criminal justice system.

Course Objectives Attached (Please check box)
