From the age of 9, Nurmira studied to be a cellist and graduated from the Abdraev Music School. Later she studied at the Kyrgyz National Conservatory. Before coming to the United States, Nurmira played in the Ethnic Folk Theatre, was the first cellist in the Conservatory Symphony Orchestra in Kyrgyzstan and played in a chamber orchestra. She has performed in Turkey, Russia, Switzerland, and the United States.

With an 80% unemployment rate in her country, Nurmira knows how the basics of life most Americans take for granted such as food, clothing and shelter, are a constant struggle. Amazingly, she found hope in the midst of hardship and a faith that would forge her ahead with a spirit of excellence in her field.
