Directions: Turn in a Participation Page for each asterisk listed in the Due column of your syllabus on that date. You may handwrite only if your handwriting and grammar are very good. It is recommended that you take notes while reading the chapter and then answer the following questions using your notes.

Your Name: ____________________________  Course/Section: __________  Chapter or Pages Assigned: ______

1. List the three most important concepts or points from the reading and describe why you feel these points are important. (Responses must be at least two sentences per point.)

2. Describe how any one of the most important concepts in the reading applies to your life, or connects to something you have heard about, seen, or experienced, in no less than two sentences.

3. Explain anything in the reading that seems surprising, different, conflicts with your experience, or that you have a question about, in no more than three sentences.
